If you have a Sat Nav usually the post code will bring you to our drive way.

We share a drive with Pit Pony Farm, when you pull into the drive off of the main road you need to turn right immediately this will bring you down the drive to Hillside Farm, carry on down the drive and between the trees and straight ahead of you will be your parking space next to The Apple Shed Sign and path to The Apple Shed.

Please do call us if you have any problems finding us.
